After many weeks without news, but of hard hard work, the website has been updated with no less than **5 new games announcements**, descriptions and screenshots :

- **Elemental**, an old **Lankhor** arcade game, is going mobile (Erick, contact us).
- **Voodoo Kart**, a wonderful racing game in a Voodoo/Pirate cartoon spirit.
- **Clonyk**, an extremely addictive casual game.
- **Rack&Roll**, a great puzzle game for everyone.
- **Bloody Moon**, a top secret project, following the successful steps of **Opal's Quest**.

Have a look at the new [Games](#) page.

• December 24th, 2006 :

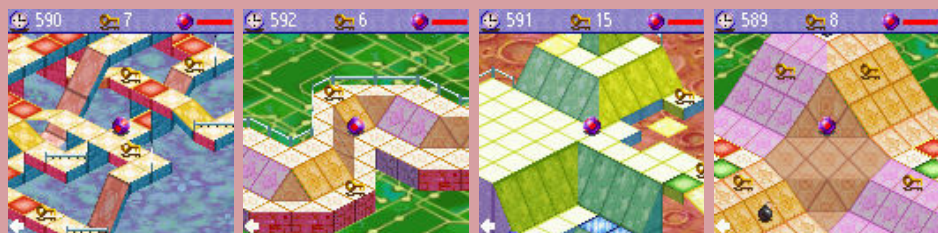

The whole team wishes you a merry christmas, and a happy, happy, happy new year!
Many news will come at the very beginning of 2007, stay tuned!

• September 21th, 2006 :

You can buy **FreeFall** online on the website **Clickgamer** [here](#), **Opal's Quest** [here](#) and **Xtreme Ignition** [here](#) if you cannot find them elsewhere :).

• August 29th, 2006 :

FreeFall is achieved and has been completely reskined. You can see the latest screenshots and download the new video in the games section.

• August 07th, 2006 :

The **FORUMS** are now open. if you are looking for some information regarding our games, or if you want to ask something about them, this is the place to go. ;)

• May 11th, 2006 :

Good news! **Xtreme Ignition** is achieved and will soon be available. Have a look at these new screenshots :

Click here to see **Xtreme Ignition** details :

• January 30th, 2006 :

Happy new year everybody, and best wishes for 2006 !

Opal's Quest, our very first RPG for mobile phones (Java Midp2 versions), is finally achieved in this very beginning of year 2006. Here are a few new screenshots of the game, showing some of the new environments.

[Click here to see Opal's Quest details :](#)

• **July 31th, 2005 :**

the new website is here :)
